

Non-denominational 3-year-old Preschool Program

St. Mary Parish
531 Congress St.
Bloomington, WI 53804
608-994-2435

Overview:

We will provide a preschool learning experience, with a trained teacher, six hours a week for children who are three years old by Sept. 1. Parents will have the option for a play-centered environment with a caretaker for the remainder of the school day during the week. The program will be housed in the present Kindergarten classroom at St. Mary's School, Bloomington. Our calendar will be aligned with the public school yearly calendar and hours.

Goals:

1. Provide a safe learning environment for children.
2. Encourage the development of fine and gross motor skills.
3. Develop social and interpersonal skills with the ability to communicate and build relationships.
4. Use a curriculum designed by a trained preschool teacher with board objectives and assessment.
5. Demonstrate the ability to think, reason, question, and remember with play-based methods.

Specifications:

- Children must be toilet trained and ready for preschool.
- There will be a \$20 processing fee for registration. Fees paid at the time of service.
- Parents will have the option to purchase hot lunch or send food with their child.
- Bussing is not available for 3 year-olds. Children will need to be dropped off and picked up daily.
- For an additional fee of \$3 per hour, care may be available until 5:30 p.m.

St. Mary Catholic School 4-year-old Kindergarten

St. Mary's will continue to provide families with a 4-year-old Kindergarten program that runs three full days a week. This program is supported with tuition, and children may ride the bus. Extended care will be offered for a fee to families who want care for their child for the other two days of the week.

Tuition	Per month	Per year
\$575	\$48	\$575

Ms. Lindsay Copsey will be our Preschool and 4-year-old Kindergarten teacher. She has an extensive background in early childhood education with certification in that area. She has been teaching art, physical education, technology and the 4-year-olds at St. Mary's School. We are actively seeking a caregiver for the extended care part of our program.
